

British Taekwondo have introduced a new system “The Hub” to manage your membership records and licences.

As a first time user you will need to log into www.britishtaekwondo.org.uk, see instructions below.

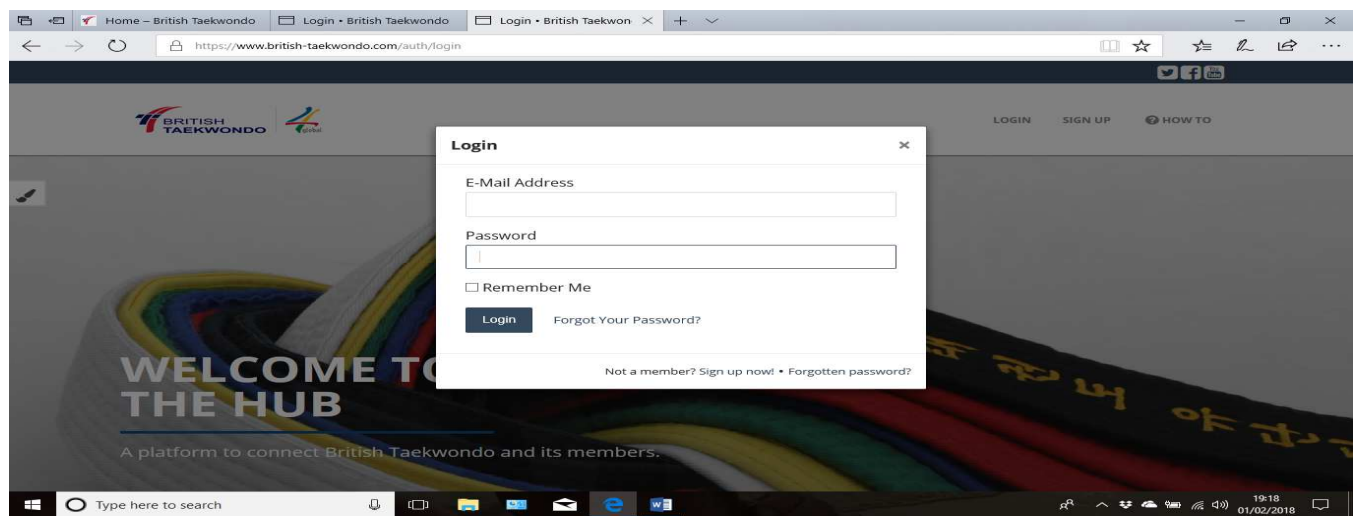

Once you have access to the Hub, please ensure your personal details are correct. MOST importantly that your email account is correct, this will be the only method of communication British taekwondo will use for you, it is your responsibility to ensure your details are correct and up to date.

One of the things you will notice on The Hub are your membership details. Your membership to British Taekwondo includes your compulsory insurance which enables you to train with us. It is your responsibility to ensure that this is renewed before expiry. As a club we can not cover the insurance on your behalf.

When your membership is due for renewal, you will receive an email reminder from BT. Simply log onto the Hub to renew and pay Predator the licence fee of £35 as usual. Once your licence is renewed your certificate will be updated and available for download on the Hub.
